

CMN Donations raised by local RE/MAX Associates go to William Beaumont Hospital's Center for Childhood Speech and Language Disorders,  
**The RE/MAX Communication Station**  
**Preschool Program**

This is Michigan's first hospital-based preschool program for children with speech and language difficulties. The program is designed to meet the needs of children between the ages of 3 and 6 years who are primarily speech and language impaired.

**Preschool Specifics:**

The classroom is team-taught by a speech and language pathologist and a preschool teacher with certification in early childhood education and experience with special education.

Class size is limited to 12 children per day, which allows for an excellent student/teacher ratio

Provides a language-based learning environment that focuses on improving comprehension and verbal expression.

Daily activities include: structured play, language arts, circle time, story time, sensory integration activities, snack, fine and gross motor play, art and music.

Scholarships are available. RE/MAX Associates, through the Children's Miracle Network, provides scholarships to qualifying families. RE/MAX is making miracles happen for children!
